

# Clinical Audit & QI: the time is now

## 26 June 2018

Venue TBC, Leicester

The event will be chaired by Michelle Garrett, an local clinical audit professional with many years experience working in the field.

### Registration

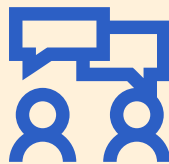

Sign in, grab a drink and pastry, make friends with your peers, visit the exhibition.

08.45  
09.15

### Focus on National Clinical Audit

We are devoting 90 minutes to discuss NCAs and focus how everyone can get the most from them. Includes brief scene-setting talks from local CA professionals and NCA experts (NELA and Royal College of Emergency Medicine).

11.00  
12.30

09.15  
10.30

### The Leaders

We have invited the leaders from NHS England, HQIP and NQICAN to provide brief presentations providing all the key recent news plus their plans for CA and QI in the future. Find out where CA is heading beyond 2018. Will include Q&A session.

**Break 10.30 to 11**

### Lunch

Re-fuel and rest. Visit the exhibition and take a look at the posters that showcase real-world best practice.

12.30  
13.15

### Invaluable insights

Martin Ferris (ex-NAGCAE) and Dr. Saifuddin (audit award winner) provide their insights into getting the most out of CA from the viewpoint of a top medic and an audit legend.

**Break at 14.30-14.45**

13.15  
14.30

14.45  
16.30

### CA Awards and QI leaders

Listen to talks from 4 finalists in our CA Awards and then vote for your winner. Find out about the QI leaders via short talks by: NHS Improvement, the Q initiative, Academic Health Science Networks and the NHS School of Change Agents, etc.

### Close

Closing remarks from chairman, pick up your certificate and head for home.
