

CLINICAL AUDIT TRAINING SCHOLARSHIPS (CATS)

OUR VIEW

We believe that new staff working in the clinical audit profession benefit from high quality, accredited training. New starters need to understand the fundamentals in terms of: best practice methodology, pitfalls and challenges associated with this work and assistance on change management.

APPLY

The application process is quick and simple. Visit the CASC website, download, complete and return the relevant form.

OUR OFFER

CASC Clinical Audit Training Scholarships are open to all staff who have worked in clinical audit for less than 12 months at the point of registering their application.

Successful applicants receive a free place on Healthcare Conference UK's Clinical Audit Masterclass, plus a mentorship session from Stephen and Tracy.
