

18 January 21 (12.30) Blue Monday special

Blue Monday (aka 18 January) is also known as the most depressing day of the year. Let us cheer you up with a guest speaker on wellbeing and a fun quiz with prizes. Zoom code: 827 4094 8234 Passcode: 272050

19 January 21 (12.30) The State of Clinical Audit

Join us as we reveal interim results from our 11th annual audit survey. Carl Walker (NQICAN Chair) has called this the clinical audit 'smoke alarm'. Is it going off? Zoom code: 880 3046 1221 Passcode: 152745

CASC's next five free 'Learn at Lunch' events January to April 2021 *all sessions run 1230 to 1330*

10 February 21 The importance of compassion in the workplace

Join us and guest speaker (Dr. Rabia Imtiaz) for a session dedicated to compassion in the workplace. At a time where teams need to be at their absolute best we will look why caring and support is seen as increasingly critical.

25 February 21 Dummies Guide to Human Factors

Join us and expert guest speaker Jane Higgs to learn more about human factors and how they relate to audit. Plus an update on the new Patient Safety Strategy.

20 April 21 Involving patients in audit

A tough nut to crack and do well. The perennial problem... how do we effectively get patients involved in clinical audit? Join us for case studies, debate and action.

STOP

IMPORTANT NEWS:

Please remember that in 2021, you will no longer need to book in order to attend these events. Simply note the zoom codes and/or visit <https://www.clinicalauditsupport.com/casc-zoom.html> for details.
