

Getting the most out of CASC's free 'Learn at Lunch' events

1

New for 2021: No need to book! It wastes time for us and you. All you need to do is keep track of our forthcoming events...

2

The best way is to email us and let us know you want to be on our mailing list: simply email info@clinicalauditsupport.com

3

And/or sign up to our monthly eNews and/or keep a track on our @cascleicester Twitter as these will announce all events.

4

Make sure you put details of the 'learn at lunch' events in your calendar / diary, along with the relevant zoom codes.

5

All that is left is to attend on the day. Make sure you introduce yourself (name and employer) via chat and get involved!

6

And don't forget if you miss an event there is a good chance you can watch it back and access materials via the CASC website.
